Welcome!

Relationships are the mortar that holds together the various parts of Mennonite Church USA—congregations, area conferences, churchwide agencies, and related organizations.

This book helps us build our relationships as a new church. From these relationships come many ministries through the combined efforts of many people in many places, following God's leading.

You will note that this book comes to you in a different form than what you have seen in previous years. As a part of the reorganizing of Mennonite Publishing House, responsibility for the *Mennonite Church USA 2003 Directory* has shifted to Executive Board staff.

Collaborating with area conferences and Mennonite Publishing House, Executive Board staff has produced a new, condensed directory for Mennonite Church USA. This collaboration is symbolic of the many ways we are all called to work together in shaping our new church.

I think you will find this directory to be an essential resource for effective communication within the many parts of the church that will help build understanding and strong relationships.

As you use this directory, breathe a prayer of gratitude for the leaders and workers listed on its pages.

Blessings to you,

Vision

Vision: Healing and Hope

God calls us
to be followers of Jesus Christ
and, by the power
of the Holy Spirit,
to grow as communities
of grace, joy, and peace,
so that God's healing and hope
flow through us to the world.

Priorities

To follow Jesus Christ more faithfully we are called to:

- enrich our prayer, worship, and study of the Scriptures.
- offer all that we are and have to God.

To grow as communities of grace, joy, and peace we want to:

- call and nurture congregational leaders for ministry in a changing environment.
- practice love, forgiveness, and hospitality that affirm our diversity and heal our brokenness.

To live as people of healing and hope we are committed to:

- invite others to faith in Jesus Christ.
- seek God's peace in our homes, work, neighborhoods, and the world.

It's your serve

*I have realized that I
cannot change the world
by myself, but that
doesn't give me the right
not to do anything at all.*

Editor's note

It takes a team . . .

The new *Mennonite Church USA 2003 Directory* is the result of a team effort.

The Mennonite Church USA Executive Board has joined with area conferences and Mennonite Publishing House to produce this new directory. Each of our conferences has worked with their congregations to gather congregational, conference, and ministerial data. Many others have also played key roles in the *Directory's* development.

Together, we've produced a resource we hope all parts of Mennonite Church USA—congregations, conferences and agencies—will find useful on a day-to-day basis.

You'll find some new features in this directory:

A fully alphabetized agency section (section 3) will help you quickly find any agency relating to Mennonite Church USA.

An expanded denominational section will give you more background on our sister denominations and church groups (section 5).

The quickfind in the back of the book has been expanded to include e-mail addresses and web pages.

The information in the ministerial and congregational sections has been integrated.

I hope you'll appreciate these changes and the new look for the *Directory*, but I'll quickly admit that it is still a work in progress. We'll be making more changes in future years, so let us know what works well for you and what changes or additions you would find helpful in the future. One new feature we are already working on is a user-friendly web version of this directory.

The year 2002 marked the official birth of Mennonite Church USA. I hope this *Directory* will help shape our work together as we seek to follow God's call for Mennonite Church USA and as we continue on our journey to become a missional church.

INFORMATION

The mission of the Mennonite Education Agency is to strengthen the life, witness, and identity of Mennonite Church USA through education.

The Education Integration Committee envisions a Mennonite Church USA that is characterized by a passionate commitment to the lordship of Jesus Christ in all aspects of corporate and personal life; a deep and abiding dedication to the distinctive Anabaptist/Mennonite expression of Christian faith as summarized in the Confession of Faith in a Mennonite Perspective; the assurance that this faith expression must be antiracist, including persons "from every nation, from all tribes and peoples and languages" (Rev. 7:9); the conviction that we are called to teach this faith to our children and children's children (Deut. 4:9); and the certainty that church schools play a critical role in this process.

Mennonite Education Agency relates to the Mennonite Elementary Education Council, Mennonite Secondary Education Council, Associated Mennonite Biblical Seminary, Bethel College, Bluffton College, Eastern Mennonite University, Goshen College, and Hesston College. (See "Schools" in section 3 for information on secondary and elementary schools, as well as separate listings for each college and seminary.)

Enrollments (fall 2001) of MEEC schools were 5,252 total; MSEC schools (grades 9-13) were 3,390 total (2,154 Mennonite and other Anabaptist); MC USA colleges (Bethel, Bluffton, EMU, GC, HC): full-time undergraduate were 3,519 total (1,651 Mennonites), 3,666 full-time-equivalent (FTE), 192 degree-completion students, 335 graduate students; MC USA seminaries (AMBS, EMS): full-time were 115 total, 61 MC USA/MC Canada, 76 Mennonites, 180 part-time, 164 FTE.

INFORMATION

Mennonite Mission Network, a program agency of Mennonite Church USA, exists to lead, mobilize and equip the church to participate in holistic witness to Jesus Christ in a broken world. We envision every congregation and all parts of the church being fully engaged in God's mission—

across the street, all through the marketplaces and around the world. The Mission Network supports ministries in 54 countries, 31 U.S. states, and six Canadian provinces. Mennonite Mission Network succeeds the former Commission on Home Ministries and the Commission on Overseas Mission (General Conference Mennonite Church) and Mennonite Board of Missions (Mennonite Church).

Mennonite Mission Network has four core ministries: (1) engage people and cultures with the gospel of Jesus Christ, (2) start missional congregations, (3) cultivate missional congregations, and (4) foster a missional identity in the church. Mennonite Mission Network has more than 165 long-term workers and facilitates annual assignments for more than 2,000 short-term volunteers.

Mennonite Mission Network has three divisions and 15 departments: **Global Ministries** (Africa; East Asia; Europe; Latin America; Service, Learning and Discipleship; West Asia; Middle East), James R. Krabill, senior executive; **Missional Church Advancement** (Church Relations and Partnership Formation; Communications; Development; Leadership Development; Missional Church Development) Peter Graber, senior executive; **Mission Network Services** (Finance, Human Resources, Information Technology), Erwin Rempel, senior executive. In addition, Mennonite Media promotes an Anabaptist understanding in secular media and creates resources to assist congregations in their ministry.

Mennonite Mission Network operates a variety of mission initiatives and service programs in North America and beyond, including:

Anabaptist Biblical Training Institute, a leadership training program for Spanish-speaking lay people (Gilberto Flores, director)

City on a Hill, providing church planting and ministry grants to urban locations (Marty Bender, administrator)

Group Venture, linking groups to options for

service and spiritual reflection in North America (Del Hershberger, administrator)

Mennonite Voluntary Service, providing one- or two-year opportunities for individuals to live out their faith through service in communities across North America (Scott Siemens and Tonia Stutzman, administrators)

Prayer partner ministry, inviting people to commit to regular prayer for mission (Marietta Sawatzky, facilitator)

RAD (Reaching and Discipling) for young adults (18-30) in team-based discipleship training and outreach in Asia, Europe, Latin America, or North America (Bob Sprunger, administrator)

Second Mile: A Peace Journey for Congregations, an educational tool for congregations who want to proclaim Christ's peace in a broken world (Leo Hartshorn, Rep.)

Service Adventure, promoting service, learning, and spiritual growth for post-high-school students in nine U.S. communities (Chris Kahila, administrator)

SOOP (Service Opportunities for Older People), short-term service opportunities for adults age 50 and older (Arloa Bontrager, administrator)

Third Way Café, an Internet ministry produced by Mennonite Media

Youth Venture, a one- to three-week short-term mission experience for teens (ages 14-20) in North America or internationally (Del Hershberger, administrator)

Mennonite Mission Network has 10 operating partnerships involving congregations, area conferences and other groups organized to accomplish specific mission objectives. Another seven are in some stage of exploration.

Dagestan (Russia) is a partnership with the Friends of the Tabasaran (based in west-central Ohio) to support Christian leadership among the Tabasaran people and build long-term relationships; Joe Henson, facilitator.

DEO (Discipleship Encounter Outreach) is an

initiative involving Mennonite Mission Network, Hesston (Kan.) College, Bethel (Kan.) College, Western District and South Central Conference to equip young people to become whole-life disciples of Jesus Christ; Ritch Hochstetler, director.

DOOR (Discovering Opportunities for Outreach and Reflection) Network establishes centers where those who are interested in urban Anabaptist missions are prepared for leadership roles; partners in Denver, Chicago, Miami, Buffalo, San Antonio, and other urban sites; Glenn Balzer, facilitator.

Ecuador is a partnership with the Colombian Mennonite Church and Central Plains Mennonite Conference to provide support and companionship to the indigenous church and people of Ecuador.

Great Lakes Discipleship Center equips young adults to become lifelong, radical disciples of Jesus Christ. Mission Network partners include congregations from the Great Lakes region, Illinois Mennonite Conference, Indiana-Michigan Mennonite Conference, Ohio Mennonite Conference, and the Evangelical Mennonite Church; Brad Bame, facilitator.

Mongolia is a coalition of Ohio congregations (Mongolia Support Group) that support ministry through Joint Christian Services International in Mongolia; Burt Parks, facilitator.

calling in the night. I will
go Lord, if you lead me.'*

— Here I am, Lord (1980)

Missional, *schmissional* **It's all about how you respond**

Throughout history, Christians have found new words to describe their responsibility to God: proclaiming "Jesus is Lord," being Christ-centered, having an Anabaptist vision or asking WWJD. The latest is "missional church." The bottom line is this: Each of us is invited to align our purposes with those of God. The most important thing isn't how we describe it, but how we respond. INFORMATION

MMA was founded in 1945. Its mission is to lead Anabaptists toward greater practice of biblical principles of holistic stewardship.

MMA's Board of Directors is elected or appointed from Mennonite Church USA and Mennonite Brethren Church. The organization is composed of 12 active legal entities that handle its administrative services and operate its programs.

MMA offers expertise and assistance to Mennonites and other Anabaptists in pursuing stewardship solutions through its diversified insurance and financial services as well as charitable programs and educational resources.

Insurance includes health, life, long-term care, and disability income coverage, with plans for individuals and groups.

Financial services include mutual funds, annuities, trust services and estate consultation, Mennonite Retirement Trust, staff pension plan for congregations and church institutions, and investment management for individuals and institutions. MMA provides mortgages and other financing for institutions and congregations. All investments are guided by stewardship investing principles.

Mennonite Foundation provides planned charitable giving for individuals and planned giving and investment advisory services for institutions. Mennonite Foundation offers seminars and other educational events and serves members of Mennonite Church USA and other Mennonite and Anabaptist-related groups.

MMA's fraternal benefits include capital development for congregations, matching grants, educational resources, stewardship ministries, and programs in mental illness and disabilities. Fraternal benefits are made possible because part of MMA is a fraternal benefit association, and money that would otherwise be paid in taxes is instead channeled to members and churches. Fraternal benefits do not increase members' premiums or fees.

It's your mission

"See, I am making all things new." — Revelation 21:5

"From the past will come the future . . ."

— In the bulb there is a flower

Where's my CHM? COM? MBM? Has anything really changed?

We've heard both kinds of questions at Mennonite Mission Network. We've reassured some that the worldwide ministries of the former mission agencies continue in more than 50 countries. The same is true for familiar North American programs — from Mennonite Voluntary Service and City on a Hill to Mennonite Media and Service Adventure. Transformation is about becoming something new, yet any new creation retains the DNA of its predecessors. At the same time, continuity doesn't preclude becoming a new creation any more than having the same physical features precludes being born again.

Books for Leaders

Meditations for Meetings: *Thoughtful Meditations for Board Meetings and for Leaders*

collected by Edgar Stoesz

The moment comes to begin a board meeting. Where does a leader turn to find an appropriate comment to open the occasion, to prepare the setting for doing good work?

Each meditation begins with a Scripture, moves on to a personal story, and ends with a brief prayer.

Each is about leadership—the courage it requires, the clarity it demands, the celebration it sometimes offers. **Paperback, \$9.95**

Common Sense for Board Members, by Edgar Stoesz

You've just joined a board. You're enthused about the organization's contribution and mission. But you're suddenly uncertain about what's expected of you beside reading reports and attending meetings.

Edgar Stoesz, who served for years as chairman of Habitat for Humanity International, covers many practical matters in brief but thoughtful fashion. Among the more than 40 topics that he deals with are "Whose Rules of Order?", "When Did You Last Vote Nay?", "Delegating: Who Is Responsible?", "Boardroom Bullies," and "Dealing With a Crisis."

"Common Sense is a great gift to leaders." — Frances Hesselbein, President and CEO, Peter F. Drucker Foundation for Nonprofit Management. **Paperback, \$8.95**

Doing Good Better: *How to Be an Effective Board Member of a Nonprofit Organization*

by Edgar Stoesz & Chester Raber

NEW, UPDATED EDITION! In these days of tightening budgets, organizations cannot afford weak board members. In this time when many qualified persons have few discretionary hours, they have little time for training. *Doing Good Better* speaks to both needs efficiently and thoroughly. Highly recommended.

"A very fine book on board leadership of nonprofit organizations." — Millard Fuller, President and Founder, Habitat for Humanity, International. **Paperback, \$9.95**

Mennonite World Conference

4

Mennonite World Conference (MWC) is an international fellowship of Christian churches who trace their beginning to the 16th-century Radical Reformation in Europe, particularly to the Anabaptist movement. Today more than 1,200,00 believers belong to this faith family; at least 55 percent are African, Asian, or Latin American. Mennonite Church USA is one of 87 Mennonite and Brethren in Christ (BIC) national churches from 48 countries on five continents that MWC represents.

Creating a “space” is a primary ministry of MWC—where member churches experience communion, interdependence, solidarity, and mutual accountability. MWC provides occasions and networks, publications and exchanges where Mennonites and Brethren in Christ members can experience fellowship and be encouraged to live and act more faithfully.

The worldwide MWC assembly, Africa 2003, will be held August 11-17, 2003, in Bulawayo, Zimbabwe. For more information, go to the website www.mwc-cmm.org or contact Dumisinkosi Dothan Moyo, National Coordinator Africa 2003 (bulawayo@mw-cmm.org).

MWC serves as a global congregation. With MWC, Mennonite Church USA believes that the church is a worldwide body where people of different cultures and nations are “no longer strangers ... but members of God’s household ...” (Ephesians 2:19).

Church Eastern Canada) represent the regional bodies of Mennonite Church Canada. Northwest Mennonite Conference, with 1300 members in 18 congregations, is a provisional member until March 31, 2003.

Mennonite Church Canada Witness and Formation seek to lead, motivate, and offer resources to the church to participate in holistic witness to Jesus Christ in a broken world. MC Canada is a co-owner of Canadian Mennonite University and Associated Mennonite Biblical Seminary and is affiliated with Conrad Grebel University College and Columbia Bible College. Resources are at work in 42 overseas countries,

supporting 117 workers. An additional 40 Canadian workers are actively ministering in North America. A Resource Centre, Ministerial and Congregational Lay Leadership office, Congregational Partnerships office, Support Services office, and activities in Publishing and Resources, Youth and Young Adults, Christian Education and Nurture, and Peace and Justice combine with National and International Ministries to form a vital and energized Mennonite Church Canada, striving to do together what we cannot do alone, from across the street to around the world.

The Mennonite Brethren are a people of faith, history, and mission. In 1860, spiritual renewal among Russian Mennonites resulted in groups of believers meeting together for fellowship and Bible study. A close spiritual kinship resulted and the group became known as "brethren," and eventually, "Mennonite Brethren." Mennonite Brethren are now found in over 20 countries around the world.

The U.S. Conference of Mennonite Brethren Churches is made up of five district conferences which serve the more than 180 churches in the United States. The Conference consists of ministries including National Youth Commission, Peace Commission, cross-cultural ministries, church planting, discipleship, evangelism, mission both at home and abroad, education (Christian schools, two four-year liberal arts colleges and a seminary), a denominational magazine, and stewardship resources and education. The Mennonite Brethren also participate in the relief and caring ministries of Mennonite Central Committee. The national headquarters is located in Hillsboro, Kansas, which is also home to Tabor College. On the west coast, Fresno Pacific University, Mennonite Brethren Biblical Seminary, and the headquarters for the mission agency, MBMS International, are all located in Fresno, California.

Choosing Against War: A Christian View

"A love stronger than our fears"

by John D. Roth

Paperback, 206 pages, \$9.99

- How might we Christians look on the world differently if we *actually* believed that God's love was indeed stronger than our fears?
- In fresh, confessional language, Roth shares his convictions about Christian pacifism, inviting others to consider this possibility, all the while humbly admitting the difficulties.
- For yourself. For your children and grandchildren. For your friends at work. For your neighbors and friends. For anyone concerned about the endless cycles of war and violence, and the possibility that God's love is stronger than our fears.
- For multiple copy discounts, call 800/762-7171.
